BUSINESS PROTOCOL AND ETIQUETTE

**IN THIS COURSE,
YOU WILL:**

- Learn to make a good first impression
- Learn how to interact in an international business setting
- Learn the principles of business travel
- Learn to how to have a strong rapport with clients

Business protocol and etiquette is an important part of every professional's journey to success. From making a phone call to how to behave during workplace events, professional protocol ensures employees don't lose their place in their organization. Elevate's Business Protocol and Etiquette program will provide participants with the tools to behave professionally, interact in an international corporate setting and communicate effectively with their clients.
