

SOAR CERTIFICATION

Social Security Insurance/Social Security and Disability Insurance Outreach Access and Recovery

Elevate's **SOAR Certification** program is the Social Security Insurance/Social Security and Disability Insurance Outreach Access and Recovery (SOAR) Certification training for Case Management Staff. SOAR is a three (3) day training course for Case Managers. To become certified in SOAR, you must register, attend all three dates and successfully pass required modules. Upon successful completion of the Practice Case component of the course, you will receive a certificate of completion and 20 Continuing Education Units (CEUs) from the National Association of Social Workers (NASW).

Class Format
