LEADERSHIP SKILLS
Class Format:
On-site & Virtual

What exactly makes a decision ethical? The problem with ethics is that what may seem morally right (or ethical) to one person may seem appalling to another. Elevate's ***Ethical Leadership*** workshop will not provide you with an easy way to solve every ethical decision you will ever have to make. It will, however, help you define your ethical framework to make solving those ethical dilemmas easier. We will also look at some tools that you can use when you are faced with an ethical decision. And we will look at some techniques you can use so you do not get stuck in an ethical quandary. Best of all, we will look at a lot of case studies so that you can practice making decisions in a safe environment.
